CITY COUNCIL AGENDA MEMORANDUM

MARCH 27, 2020 AGENDA

TO: Honorable Mayor and Members of the City Council

FROM: Stewart Cruz, City Planner

PREPARED BY: Cheri Schwab, City Clerk

SUBJECT: Ordinance 2020-01: City of Daytona Beach Shores and Oceans 25, LLC Development Agreement to permit the development of townhomes on the City owned property located at 2900 S. Atlantic Avenue.

SYNOPSIS:

Ordinance 2020-01, if adopted, would approve a development agreement between the City of Daytona Beach Shores and Oceans 25, LLC to permit the development of 25 townhomes on the 2.13 acre City owned property located at 2900 S. Atlantic Avenue. The development agreement addresses property rights and the development concept of the site. If the ordinance is adopted, the applicant will subsequently submit detailed site development plans to the City for review. These site development plans will require public hearings for a recommendation and approval by the Planning and Zoning Board and the City Council, respectively.

FISCAL IMPACT STATEMENT:

This agreement calls for the City to expend up to \$100,000 for the relocation of sewer lines and will be funded from the sewer fund. As part of the economic development incentive program the city will be rebating 10% of the purchase price upon issuance of a certificate of occupancy if the project is completed within two years from the closing date of the purchase and sale of the property. This amount will be \$80,100 and will be funded by the proceeds from the sale of the property.

Currently, this property is not on the tax rolls and generates \$0.00 in ad-valorem tax dollars for the city and the city expends funds to maintain the existing landscaping. Upon completion this property will begin generating tax dollars based upon the appraised values after completion. It is estimated that these costs will be recouped through the collection of ad-valorem taxes within 6-10 years.

BACKGROUND:

On June 25, 2019 the Daytona Beach Shores City Council approved the issuance of a Request for Proposal (RFP) regarding the purchase and development of the City owned property located at 2900 S. Atlantic Avenue. The sole respondent and awardee, Florida Lifestyle Homes and Land, Inc., has

since formed Oceans 25, LLC to develop the site per the RFP. On November 12, 2019 Oceans 25, LLC and the City entered into a Purchase and Sale Agreement regarding the property in question.

The subject property is currently zoned Mixed Use District and approved for a 50ft high 60-unit condo development with 11,400sf of commercial space. Therefore, a development agreement is necessary to permit the development of the proposed 25 townhome development. If adopted, Ordinance 2020-01 would approve the proposed development agreement and permit the development in question.

The development agreement is for a two year period, however, the developer anticipates acquiring the Final Certificate of Occupancy (CO) within nine (9) months after closing on the purchase of the property. Among other things, the development agreement also provides for the following:

1. Sec. 4(f): Three (3) deviations are granted: (i) front yard setback of 15 ft on S. Atlantic Avenue and Oceans West Boulevard and 10 feet on Ridge Road in lieu of the Mixed Use District required 30 ft; (ii) no commercial component as required by the Mixed Use District; and (iii) No loading zone as required by the Land Development Code.
2. Sec. 4(g): A limitation of 25 townhomes for construction on the site.
3. Sec. 4(h), A deed restriction requirement and covenant limiting the use of the property solely for townhome use.
4. Sec. 4(k), Ancillary improvements such as roof overhangs, patios, balconies, etc, are permitted in the building setback areas.
5. Sec. 5(b): The City shall provide \$100,000 in escrow for the developer to utilize in the relocation of City sewer utilities on the property.
5. Sec. 5(c): The City shall grant the developer a purchase price rebate of 10% pursuant to the City's economic Development Incentive Program in the amount of \$80,100 at the issuance of the Final CO so long as the Final CO of the 25th townhome is obtained within two (2) years of closing.
6. Sec. 5(d): The developer shall grant underground utility and access easement for all water and sewer facilities.

W I T N E S S E T H:

WHEREAS, the PROPERTY OWNER and the CITY have a great interest in developing a high quality residential development to benefit the economy and well-being of the CITY as a general matter; and

WHEREAS, the CITY desires to provide economic and other benefits to the citizens of the CITY in order that they may continue to enjoy a high quality of life within a well-planned community; and

WHEREAS, Section 163.3202, *Florida Statutes*, provides that the CITY shall adopt and enforce land development regulations for the purpose of implementing its *Comprehensive Plan* and protecting the public health, safety,

and general welfare; and

WHEREAS, pursuant to the *Florida Local Government Development Agreement Act*, as set forth at Sections 163.3220 through 163.3243, *Florida Statutes*, local governments are authorized to adopt, by ordinance, procedures and requirements whereby a local government may consider and enter into a development agreement with any person having a legal or equitable interest in real property located within the local government's jurisdiction and the CITY enacted Ordinance 2013-10 (now codified at Chapter 15, Appendix "G", *Land Development Code, Code of Ordinances of the City of Daytona Beach Shores*) to implement the provisions of the referenced statutory provisions; and

WHEREAS, the lack of certainty in the approval of development can result in a waste of economic and land resources; discourage sound capital improvement planning and financing; escalate the cost of housing and development; and discourage commitment to comprehensive planning and the CITY and the PROPERTY OWNER desire to engage in sound and long range planning with regard to the premises in a manner that protects the investment backed expectations and rights of the PROPERTY OWNER while providing for an array of benefits to the citizens of the CITY; and

WHEREAS, development agreements are contracts negotiated between project proponents and public agencies that govern the land uses that may be allowed in a particular project and, although subject to negotiation, allowable land uses must be consistent with the local planning policies formulated by the legislative body (the CITY's City Council) through its *Comprehensive Plan*, and consistent with any applicable specific plan; and

WHEREAS, neither the PROPERTY OWNER nor the CITY, as the local government with land use regulatory authority over lands located within the CITY, is required to enter into a development agreement and, when entered, the allowable land uses and other terms and conditions of approval are negotiated between the parties, subject to the CITY's ultimate approval by the City Council, but while a development agreement must advance the CITY's local planning policies, it may also contain provisions that vary from otherwise applicable zoning standards and land use requirements; and

WHEREAS, development agreements are, essentially, a planning tool that allows public agencies greater latitude to advance local planning policies, sometimes in new and creative ways and, as such, development agreements may be viewed as an alternative to the traditional development approval process which, in practice, it is commonly used in conjunction with; and

WHEREAS, the enactment of development agreements by ordinance results in the enactment of the development agreement effectuating and memorializing the zoning and land use entitlements of the property which is the subject of each development agreement; and

WHEREAS, the City Council of the CITY has enacted a series of economic incentive programs which programs are summarized as follows:

A. LAND PURCHASE ECONOMIC DEVELOPMENT PROGRAM:

To encourage the renovation, development, redevelopment and productive use of lands and buildings within the City, the City Council may enter development agreements, which may relate to either City-owned or non-City-owned real property and provide the purchaser of the land with a grant of up to a 10% of the purchase price to allow the purchaser to use the funds to assist in the development of the real property or in order to assist in the build out of the property in a high quality plan of development.

B. ECONOMIC DEVELOPMENT COMMERCIAL LEASE SUBSIDY PROGRAM:

This Program will provide a subsidy, under appropriate circumstances, to subsidize leases relating to new businesses within the City over a 3 year period of time in order to assist selected businesses to commence economic activity and remain a going concern. Leases may be subsidized up to 30% for the first year of the lease, up to 20% for the second year of the lease, and up to 10% for the third year of the lease: Existing businesses which desire to relocate to a larger space in the City which relocation will result in enhanced business operations or employment and businesses which extend a lease for a longer term of at least 3 years when the extension will result in enhanced business operations or employment shall also be eligible for the same benefits. The total amount of this incentive may not exceed \$20,000.00.

C. ALTERNATIVE GRANT PROGRAM:

In the event that an owner of real property has engaged in or entered a business relationship in a manner which the City determines is not conducive to a lease subsidy being granted by the City, the City may enter grant agreements with such applicants such as, by way of example, facade or beautification grant agreements; provided that the City is attaining substantially or more of the same economic and other benefits that are substantially the same or greater than that the City would enjoy under a lease subsidy award. Such grants may be awarded under conditions that address the unique nature of the business arrangement within which context the real property is held or the business operated. The total amount of the grant under an agreement may not exceed \$20,000.00.

D. BUSINESS LOYALTY PROGRAM:

The owner of an eligible business may receive a reimbursement of part of its certificate of use fee and a reduction in its local business tax for a period of time.

E. ALTERNATIVE TAX RELIEF PROGRAM:

The owner of real property may receive a negotiated amount of refunds of City fees and ad valorem taxes for a negotiated period of time.

; and

This Development Agreement is the result of bona fide arms-length negotiations between the parties and all parties have contributed substantially and materially to the preparation of the Development Agreement. Accordingly, this Development Agreement shall not be construed or interpreted more strictly against either party than against any other party both parties having participated in the drafting of this Development Agreement. Whenever a decision is provided for herein which is to be made by the CITY, such decision must be in writing in order to be binding upon the CITY.

SECTION 20. ENTIRE DEVELOPMENT AGREEMENT/MODIFICATION.

This Development Agreement may not be amended, changed, or modified and material provisions hereunder may not be waived, except by a written document, of equal dignity herewith and signed by all parties to this Development Agreement.
- (b) If the City Council of the CITY finds, on the basis of substantial competent evidence, that there has been a failure to comply with the terms of this Development Agreement, this Development Agreement may be revoked or modified by the City Council upon affording the PROPERTY OWNER administrative due process rights in accordance with controlling law.
- (c) A substantial modification of this Development Agreement shall require approval by the City Council in accordance with the procedures set forth in Chapter 15, Appendix "G", Land Development Code, Code of Ordinances of the City of Daytona Beach Shores. This Development Agreement may be amended or canceled by mutual consent of the parties to the agreement or by their successors in interest; provided, however, that a substantial modification of this Development Agreement shall require approval by the City Council in accordance with the procedures set forth in Chapter 15, Appendix "G", *Land Development Code, Code of Ordinances of the City of Daytona Beach Shores*. SECTION 21. THIRD PARTY BENEFICIARIES/TRANSFERABILITY.

- (a) The CITY shall not be liable to any person, firm or corporation who contracts with or provides goods or services to the PROPERTY OWNER in connection with services provided by the PROPERTY OWNER to the CITY; and there is no contractual relationship, either expressed or implied, between the CITY and any other person, firm, or corporation supplying any work, labor, services, goods or materials to the PROPERTY OWNER as a result of its services to the CITY hereunder. This Development Agreement is solely for the benefit of the formal parties to this Development Agreement, and no right or cause of action shall accrue by reason hereof to or for the benefit of any other third party not a formal party hereto. Nothing in this Development Agreement, expressed or implied, is intended or shall be construed to confer upon or give any person or entity any right, remedy or claim under or by reason of this Development Agreement or any provisions or conditions hereof, other than the parties hereto and their respective representatives, successors and assigns as set forth herein.
- (b) This Development Agreement is transferable. However, so long as the land or structure or any portion thereof covered under this Development Agreement continues to be used for the purposes for which it was issued, then no person (including successors and assigns of the person(s) or entity(ies) who obtained this Development Agreement or land which is the subject of this Development Agreement) may make use of the land except in accordance with the conditions and requirements of this Development Agreement. The provisions of this Development Agreement run with and burden the real property to which it relates until release or amended in accordance with formal action of the CITY.

SECTION 22. ATTORNEYS FEES AND COSTS.

In the event of any action to enforce the terms of this Development Agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees, paralegals' fees, and costs incurred, whether the same be incurred in pre-litigation negotiation, litigation at the trial level, or upon appeal.

SECTION 23. SEVERABILITY.

If any one or more of the covenants or provisions of this Development Agreement shall be held to be contrary to any express provision of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall, for any reason whatsoever, be held invalid, then such covenants or provisions shall be null and void, shall be deemed separable from the remaining covenants or provisions of this Development Agreement, and shall, in no way, affect the validity of the remaining covenants or provisions of this Development Agreement.

Any request for an extension shall be subject to the public hearing process necessary for the initial approval of said Development Agreement; provided, however, that the CITY has concluded that the vested rights of the PROPERTY OWNER and the investment backed expectations of the PROPERTY OWNER warrant a renewal and continuation of the development approved for the premises herein.
- (c) Prior to the completion of the project and at the issuance of a certificate of occupancy by the CITY, the CITY may review this Development Agreement as well as at least once every twelve (12) months to determine if there has been demonstrated good faith compliance with the terms of the Development Agreement.

SECTION 25. COUNTERPARTS.

This Development Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which, taken together, shall constitute one and the same document.
